TECHNICAL SKILLS

Languages:

- Java
- Python
- JavaScript

Frontend:

- HTML
- CSS
- React

Backend:

- SpringBoot (basic)
- REST APIs

Database:

- SQL

TOOLS & VERSION CONTROL

- Git
- MAVEN
- Apache POI
- Intellij IDEA
- STS4

LANGUAGES

- English (Fluent)
- Malayalam (Fluent)

PROFILE

I am a Computer Science graduate with an interest in web development and backend systems. I have worked on projects using Java, Python, and REST APIs, and completed an internship where I built tools to automate data processing. I am looking for an entry-level Software Engineer role where I can learn and contribute to real-world applications.

INTERNSHIP EXPERIENCE

Software Intern - IBS Software JUNE 2025 - DEC 2025

- Built a Java Swing GUI to automate employee timesheet processing from Excel using Apache POI, eliminating manual aggregation and improving reporting accuracy.
- Implemented Excel read/write parsing and generated structured reports (total hours, person-days) and categorized logs by employee and task to streamline payroll and resource tracking.
- Designed and refined UI components to improve usability and interface consistency.
- Created unit/integration tests, performed debugging and added structured logging to improve maintainability and accelerate issue resolution.
- Followed coding standards and worked with the team in an agile environment.

PROJECTS

Parcel Tracking System OCT 2025 - DEC 2025

Contributed to the development of a parcel tracking system with admin and user modules. Implemented REST APIs for parcel registration, status updates, and complete tracking history. Designed JPA entities and integrated role-based access control using Spring Security. Implemented dynamic pricing logic based on parcel weight, type, and distance.

Campus Recruitment System MAR 2024 - DEC 2024

Developed a full-stack placement automation platform using Python and MySQL with HTML/CSS front-end. Implemented student and recruiter workflows, placement scheduling and secure authentication to streamline campus placement processes and improve coordination between stakeholders.

EDUCATION

Bachelor of Technology - Computer Science & Engineering 2021 - 2025

College of Engineering Kidangoor, Kerala(KTU)

CGPA: 7.17 / 10

Pre-Degree - Bio Maths 2019 - 2021

MDS HSS Kottayam,Kerala (DHSE)

Percentage : 93%
