PROFESSIONAL SUMMARY

Computer Science graduate (B.Tech, 2025) with hands-on experience building full-stack web applications using Python, JavaScript, and the MERN stack. Completed a front-end-focused internship at IBS Software and currently strengthening React.js, Node.js, and MongoDB skills through structured training. Seeking an entry-level Software Engineer / Graduate Trainee role to apply strong problem-solving skills and a fast learning curve to real-world development projects.

TECHNICAL SKILLS

Languages: JavaScript, Python, HTML5, CSS3, SQL

Frameworks & Libraries: React.js, Node.js, Express.js, MongoDB

Tools & Practices: Git, GitHub, REST APIs, JSON, Responsive Web Design

Concepts: Data Structures, OOP Fundamentals, NLP Basics, Full-Stack Architecture

EDUCATION

B.Tech in Computer Science and Engineering *2021 – 2025*

College of Engineering Kidangoor | CGPA: 7.17

TRAINING

MERN Stack Development Training *In Progress*

Techmindz, Kochi

- Building hands-on skills in MongoDB, Express.js, React, and Node.js through applied training modules.
- Strengthening front-end fundamentals in HTML, CSS, JavaScript, and React.

EXPERIENCE

Project Trainee — IBS Software, InfoPark, Kochi *Jun 2025 – Dec 2025*

- Collaborated with a cross-functional project team on UI development tasks, gaining direct exposure to professional front-end workflows.
- Proactively self-studied HTML, CSS, and JavaScript alongside assigned project work to accelerate technical ramp-up.

PROJECTS

Campus Recruitment System — Major Project

Technologies: Python, NLP, SQLite, HTML, CSS, JavaScript

- Built a full-stack recruitment platform enabling student registration, profile creation, and job applications.
- Engineered an NLP-based resume builder that auto-generates structured resumes from user-entered details.
- Designed a skill-development module with curated video content and post-video quizzes to reinforce learning.

Online Ayurvedic Doctor Consultation Platform — Mini Project

Technologies: Python

- Developed a booking platform allowing patients to browse doctors and schedule consultations online.
- Integrated an e-commerce store enabling direct medicine purchases within the platform.
- Added a health-tips section delivering Ayurvedic wellness content to users.

CORE COMPETENCIES

Problem Solving • Team Collaboration • Communication • Adaptability • Continuous Learning
