Kanjikuzhy, Kottayam,
Kerala, 686004

## SKILLS

Programming:

- Java
- Python
- JavaScript

Frontend:

- HTML
- CSS
- React

Backend:

- SpringBoot (basic)
- REST APIs

Database:

- SQL
- MySQL

Tools & Technologies

- Git
- Maven
- Apache POI
- Intellij IDEA
- STS4

Concepts

- OOP
- Debugging
- Unit Testing

## LANGUAGES

- English (Fluent)
- Malayalam (Fluent)

## SUMMARY

Entry-level Software Engineer with hands-on experience in Java, Python and REST API development. Built automation tools using Apache POI and developed full-stack applications using Python and MySQL. Familiar with Agile development practices, debugging, and version control using Git. Seeking to contribute to scalable backend system and real-world software solutions.

## INTERNSHIP EXPERIENCE

**Software Intern - IBS Software** JUN 2025 - DEC 2025

- Built a Java Swing GUI to automate employee timesheet processing from Excel using Apache POI, eliminating manual aggregation and improving reporting accuracy.
- Implemented Excel read/write parsing and generated structured reports (total hours, person-days) and categorized logs by employee and task to streamline payroll and resource tracking.
- Designed and refined UI components to improve usability and interface consistency.
- Created unit/integration tests, performed debugging and added structured logging to improve maintainability and accelerate issue resolution.
- Worked in an Agile development environment with team collaboration and version control

## PROJECTS

**Parcel Tracking System** OCT 2025 - DEC 2025

Contributed to the development of a parcel tracking system with admin and user modules. Implemented REST APIs for parcel registration, status updates, and complete tracking history. Designed JPA entities and integrated role-based access control using Spring Security. Implemented dynamic pricing logic based on parcel weight, type, and distance.

**Campus Recruitment System** MAR 2024 - DEC 2024

Developed a full-stack placement automation platform using Python and MySQL with HTML/CSS front-end. Implemented student and recruiter workflows, placement scheduling and secure authentication to streamline campus placement processes and improve coordination between stakeholders.

## EDUCATION

**Bachelor of Technology - Computer Science & Engineering** 2021 - 2025

College of Engineering Kidangoor, Kerala(KTU)

**CGPA:** 7.17 / 10

**Pre-Degree - Bio Maths** 2019 - 2021

MDS HSS Kottayam,Kerala (DHSE)

**Percentage : 93%**
